

Outside Programs Progression (All inmates are monitored by GPS)

- CIWF
(Community Inmate Workforce)
- WORK RELEASE
- HEM (Home Electronic Monitoring)

Path to CIWF

First steps to outside program process

- I/M work on NRADC grounds and throughout the community Supervised program

Path to WR

- Court Ordered/Eligible
- Progress from CIWF
- Progress directly from general population—(minimal criminal history, has a job, sentenced)

Path to HEM

- Strict criteria
- Home Checks
- Weekly Visits
- Often requires consent of the Commonwealth Attorney

Community Corrections

Offers a constructive plan that helps reintegrate inmates back into the community via education, recovery program and the acquisition of skill sets and trades.

A place where an Inmate's Potential is seen, and can be achieved.
